Thanks.

I realize now my email wasn't particularly clear. Since he was new, I was giving him a heads up that it would be good for him to be familiar with the issue.

I don't understand why they didn't tell us about this earlier particularly when we were down there last week. He mentioned it as an afterthought.

John,

As an FYI – I gave Ben Melnick in FL (he is water director) and since he is new I asked him if he was up to speed on the **Ex. 5 AC/DP** issue related to assumption. During that conversation, he let me know about the referenced pending legislative action. Per Matt's message below, if passed **Ex. 5 AC/DP** **Ex. 5 AC/DP** I am sorry we didn't know this before today's briefing but they did not mention it when meeting with our team and I hadn't heard about this bill until today.

Would you like to give Dave a heads up? Let me know what you plan.

Thanks

Ex. 5 AC/DP

I'm
copying Kavita to confirm. Not one peep about this when we were down in FL last week!
